

## POOLING AGREEMENT REQUIREMENTS

The State of North Dakota will prepare the voluntary pooling agreement. In your request for pooling we need:

- 1) Your name, title and company address to where you want the agreement mailed
- 2) Legal description including county
- 3) Well name
- 4) NDIC (State Industrial Commission) spacing or field order number
- 5) Formation name and field name

We will find the appropriate leases. This format is standard procedure for us. I hope this works well for you too.

Respectfully,

Tom Feeney
